

Petalo Extend™
(Warm Greige)

PETALO Extend™

Through our unique refurbish-solution, Petalo Extend™, we offer an easy and cheap way to get your chairs repaired and refurbished. As good as new and ready for round two. Furthermore, polyurethane (PUR) is the only plastic with the unique properties suitable for refurbishing.

Petalo Extend™ is common sense and sustainability for the school budget as well as the planet.

Product-line: SEET, the whole chair or the seat

Colors: Original SEET colors

Technology: Special developed PUR coating

Budget: Appx. 50% of the cost of a new chair
